

Join our Team: Designer

The Role

Portmeirion Group's continuing brand development has produced an exciting opportunity for a highly creative individual to join our design team. The role will consist of developing and providing leading edge designs in a variety of homewares, conducting research of wider design trends in the market and compilation of design boards to reflect this. Ensuring the delivery of successful design concepts for our customers including licenced products.

Our Company

We are a successful company who believe that working together as one team will ensure that we achieve our Vision – 'To be a leading force in the global homewares sector growing our great British brands'.

What you will need to be successful:

A creative, commercially driven team player with an Art & Design qualification. Fully efficient with the use of Adobe Photoshop, Illustrator, and Apple Mac software with technical abilities and product styling. Understanding and experience of product approval and colour critiquing would be ideal along with working with different substrates such as melamine, glass and ceramics. A passion for providing beautiful designs and a quality service to the business is essential.

If you are confident that you have the creativity, enthusiasm and commitment required to make a full contribution to this vital part of our business please send your full CV to: scooke@portmeiriongroup.com

Please note: All applications will be processed within two weeks of the closing date. We reserve the right to close this position earlier than the published date should we receive a high volume of applications. The data collected by the submission of your CV is for the purpose of processing your job application and for statutory purposes. For more information please refer to our Employment Privacy Policy which can be found at www.portmeiriongroup.com and includes further information about processing of your personal data and your rights.
